

SAFQUAL UK Level 3 Award in First Aid at Work

Overview:

The UK Level 3 Award in First Aid at Work (FAW) is an advanced first aid qualification designed to equip learners with the knowledge and practical skills to handle a **wide range of workplace medical emergencies**. This course meets the **Health and Safety (First Aid) Regulations** and is ideal for individuals who need to act as **designated first aiders in high-risk workplaces**.

Who is this Course For?

Designated Workplace First Aiders: Those responsible for managing medical emergencies at work.

Supervisors & Managers: Ensuring workplace safety and compliance.

Construction & Industrial Workers: Handling high-risk job site injuries.

Security & Public Safety Personnel: Responding to medical incidents in public and private spaces.

Warehouse & Manufacturing Staff: Dealing with heavy machinery-related injuries.

Retail, Hospitality & Office Workers: Assisting staff and customers in medical emergencies.

Teachers, Sports Coaches & Caregivers: Managing student and athlete injuries.

Duration:

Delivery would typically be through a 3-day training course (24 hours).

Assessment

The practical Learning Outcomes are assessed by observation.

Multi Choice Questions (MCQ) for theory and underpinning knowledge.

This qualification is made up of 2 Units which are assessed separately:

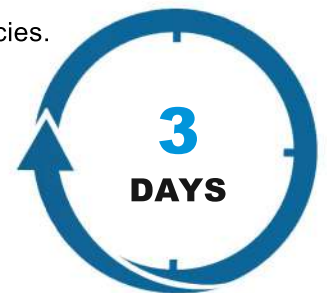

Unit 1: 2 Emergency First Aid at Work also form part of this assessment.

Unit 2: Recognition and Management of Illness and Injury in the Workplace

To Awarded this qualification the Learner must 100% pass of the assessments carried out by observation together with a percentage pass in the MCQ paper.

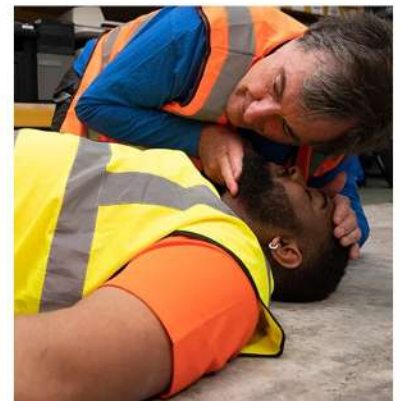

Validity:

The Level 3 Award in Paediatric First Aid is valid for a period of three years. After this period, individuals wishing to retain their status as emergency first aider must re-qualify.
